Fall Newsletter 2022 and Membership Drive

Events and Updates

It's been a year of getting back to "normal". We were able to provide many of our usual programs and activities once again.

Kids had fun attending summer Book Camp, and our Used Book Sale at the Kenny Lake Fair was a success. We look forward to "Trick-or-Treat for Books" at the library this year, as well as our Christmas Open House and Book Basket sale.

You may notice some changes to the outside of the building. The ramp is gone in anticipation of a new entryway. We've cleaned up our video section and have more room for new dvd's. Our Alaska section has some new books about our area, hunting and trapping, crafts, and true adventures of amazing Alaskans.

Our library is available for study sessions, WIFI/computer use, printing and meetings. We can also connect you to the Alaska Digital Library for free ebooks and audio books. Please call (907)822-3015 for questions or assistance.

Book Camp and other events and activities are posted on our Facebook and webpage. Check it out!

WISE Partners

WISE discovery packs are available to check out. These are great "hands on" science activities for kids.

We have a number of donated books and videos for sale. Please stop in and browse.

FUNDING THE LIBRARY

Kenny Lake Public Library is a non-profit, totally volunteer run entity. While our library remains open, we've had to make several adaptations, and with these changes, come added costs. Please consider supporting the Kenny Lake Library with a donation, or become a "Friend of the Library" with an individual membership (\$18) or a family membership (\$25). Your contribution is tax deductible. Checks can be made out to Kenny Lake Public Library or donate online at kennylakelibrary.org. We appreciate the support of our community and donors. Thank you!
